

Ned Palmer, MD, MPH
Chief Operating Officer
& Co-Founder

Dr. Ned Palmer MD, MPH is an instructor in pediatrics, and faculty at the Center for Bioethics at Harvard Medical School. Join Dr. Palmer to prepare yourself with financial information for your entire career as a physician. As the Co-Founder of Panacea Financial, the national digital bank for medical students, residents, and physicians, Dr. Palmer is acutely aware of the financial struggles of medical trainees.

FINANCIAL LITERACY SPRING SERIES

HOSTED BY
Dr. Ned Palmer & HMS Financial Aid Office

These sessions will provide practical knowledge you can begin to implement as a student.

Academically, Dr. Palmer is in the global health faculty at Boston Children's Hospital, as well as at Harvard Medical School in the Center for Bioethics.
