

# Join the **Dystonia Support Group of Massachusetts**

Sunday, April 21, 2pm

Join us for our first meeting. We are developing a support group for all persons living with Dystonia in Massachusetts. Be it focal, generalized, cervical or whatever...we are looking to build a community of support in our area to share stories, treatments and information.

## **When:**

Sunday, April 21, 2pm – 5pm

## **Where:**

Leventhal Conference Room  
2nd floor of the Shapiro Building  
Beth Israel Deaconess Medical Center  
330 Brookline Avenue, Boston MA 02215

## **Speakers:**

**Daniel Tarsy, MD**  
*Director, Parkinson's Disease  
& Movement Disorders Center*  
Beth Israel Deaconess Medical Center

**Janet Hieshetter**  
*Executive Director*  
DMRF

**Jan Teller, PhD**  
*DMRF Science Officer*  
To give a Dystonia Research Update

## **Please RSVP online:**

[http://www.formstack.com/  
forms/?1388581-64veEEwETP](http://www.formstack.com/forms/?1388581-64veEEwETP)

## **Validated parking provided**

In the **SHAPIRO parking garage only** which is located UNDER the Shapiro Building (90 Binney Street). Additionally, everyone will need to stop by Level P1 before they leave to have the parking attendants validate their parking ticket.

**Refreshments will be provided and raffle tickets will be sold to support the group. We hope to see you!**
