**"THE CIRCLE STARTED AROUND THE COOK-FIRES OF
HUMANITY'S ANCESTORS AND HAS ACCOMPANIED US EVER
SINCE. WE REMEMBER THIS SPACE. WHEN WE LISTEN, WE
SPEAK MORE THOUGHTFULLY. WE LEAN IN TO SHARED PURPOSE"**
CHRISTINA BALDWIN, AUTHOR, THE CIRCLE WAY

**The purpose of this healing circle is to offer
a space for coming together to share
thoughts and feelings given the recent
political climate and unprecedented times.**

This circle is a space that is open to everyone in the Psychiatry Department.
